

Flying Start Preschool Fees 2022/2023

Flying Start Pre-School has fixed operating charges for two age groups which are calculated annually on the actual cost of provision.

The Government Early Education funding for 3 & 4 year olds is for BASIC childcare with a staff ratio of 1:8 children, parents are charged separately for the additional services, enhanced ratios, snacks, consumables and extra-curricula activities and the many other features of the Flying Start provision.

There is an additional £10 charge per child per year to cover Staff Training days.

We will offer the 15 hours (**universal entitlement**) funded early education for 3- & 4-year-olds, which will entitle you to a maximum of 15 hours childcare per week for 38 weeks of the year, the term after your child becomes 3.
