

Dear Parents/Carers,

We have just finished our last full week before the Summer Break. This week we enjoyed lots of summer time activities, with next week being "FUN WEEK! The children have written post cards, sorted and counted shells, gone 'fishing' for numbered magnetic fish, used fine motor skills to put pegs on numbered suns, made lollies, been on an imaginative boat ride, painted sun sets, and designed swim wear. Outside, the children bought and sold ice creams at the parlour, explored our water tray, use pipettes to carefully fill up the push pop toys and got their legs working hard moving the large ride on cars around the garden.

We also had some gardeners in to cut back the trees and tidy up the sensory garden, which has made such a difference. In September we hope to plant more vegetables, herbs and plants and continue getting muddy and messy.

School Preparation

Our children have been looking at School uniform and learning our very emotional Graduation Song.

This week we had our last football session with Elite Sporting and Mark. The children have absolute loved the sessions. At the moment, we don't plan to continue in September.

Speedy
Would anyone like to have Speedy over the Summer Holidays??

Library Visit

Wednesday 19th July

We will be taking 2 groups of school leavers to the library during the morning. Please can we have some parent helpers to walk with us and help children to explore the books once at the library?

Thank you to Sophie who keeps the parents WhatsApp group informed with updates. Please can I remind everyone to keep the messages to Flying Start related information.
