

Dear Parents/Carers,

This week's theme has been 'Healthy Living.' During the week the children have been looking at different ways to be healthy through the food we eat, the exercise we do and recognising and managing our emotions. On Tuesday the children learnt to safely use special knives to cut vegetables and they also smashed ice cubes to release vegetables. Leeks are surprisingly smelly! On Wednesday we created a Healthy café, where the children role played taking orders, counting money, preparing food, serving and sitting around our little tables with friends. Our Tuff tray was an explosion of senses, as the children investigated colours, smells and textures of real vegetables. Your child may have come home with a pasta bracelet on Tuesday, where a counting activity turned into a jewellery making activity!

Phonics

This week we have been recapping all the sounds introduced over the term (SATPIN).

School Preparation

This week our school leavers have been writing letters and preparing packages to send home. So, keep an eye out in the post for a very special delivery!

Sports day on Friday 30th June

All children to be dropped off promptly at **9am**. Parents/family can then head to the garden and await the fun!

We will aim to start by 9:20am and finish by 10:30am

The team list will go up on the notice board today. Please check to see which colour team your child has been given. If possible, please put them in a **t shirt of that colour on the day**.

Children who don't usually attend on a Friday, will need to be taken home with their parent/carer once Sport's Day has finished.
