

Dear Parents/Carers,

Our learning this week has been themed around 'Transport,' which was planned due to the children's interests in cars, trains and other vehicles. Children have been investigating the distance vehicles can travel, marking off, counting and comparing, as well which vehicles were the fastest and why. There has been lots of opportunity for new language such as furthest, shortest, longest, fastest, slowest, higher and lower. The half pipes are wonderful for children to problem solve and think critically as they experiment with cause and effect if they move them higher and lower. During the week the children have enjoyed lots of messy play and mark making, small world play, been on an imaginary train ride and learnt about maps and their route to preschool. When following the river on a map a child said "That's my Hampton Court Palace."

Uniform

If you would like more uniform, then please let us know.

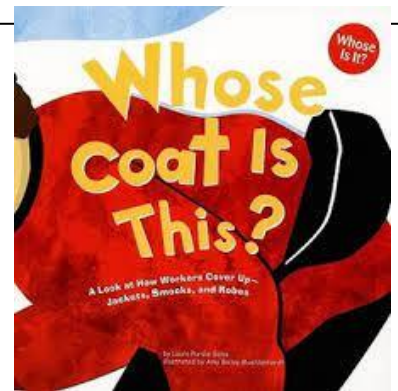

Polo Shirt £10.25

Navy Sweatshirt £12.25

Fleece £15 (I have 4 left, my next order will be £19 a fleece)

Please **NAME** your child's belongings especially their coats and water bottle.

Tapestry

Each week your child's Key Person adds an observation to Tapestry. We really appreciate it when parents add a little thumbs up or even comment to acknowledge they have read the notes. Sometimes, staff plan to do an observation at the end of the week, then if your child is absent, they unfortunately miss out on an observation for that week. Please keep adding your own observations from home!

Parent Consultations

Wk Beginning 28th November

Our parent consultations will be conducted over the phone. Staff have been given 10 minutes per call so please keep to the time and be considerate to the people who have a time slot after you, thank you.

Song of the week:

The Vehicle Song
(Attached)

Makaton of the week:

"Car and train"

Our Monthly Value is:

Respect

Respect is listening to others and their ideas.
